

About

Quality in Practice Consulting has rebranded to form *Quality Innovation Performance (QIP) Consulting*.

QIP Consulting is a wholly owned subsidiary of Australian General Practice Accreditation Limited (AGPAL), the leading provider of accreditation and related quality improvement services to general practices in Australia.

Services

QIP Consulting supports your quality improvement journey. QIP Consulting's expert consultants provide accreditation support, business advisory services, online resources, education and training.

QIP Consulting clients range from small health practices through to large peak bodies and government organisations.

Contact QIP Consulting for more information.

AGPAL Client Benefits

AGPAL accredited practices have access to special discounts and offerings delivered by a range of organisations. These products and services may be useful throughout the practice's accreditation cycle. Offerings can be found in the AGPAL Client Benefits Guide and inside this brochure.
